Take Their Leashes

Not Their Lives

Pit Bulls for Life Foundation of Alberta is a not-for-profit organization that is dedicated to assisting in the rescue and rehabilitation of homeless and abandoned Pit Bulls throughout Canada.

What is the level of commitment?

There are numerous types of homes we utilize within our program that are flex-a-bull for your lifestyle:

- 🐕 Regular Foster Home
- 🐕 Temporary Foster
- 🐕 Emergency/Relief Foster
- 🐕 Transfer Foster
- 🐕 Sleepovers
- 🐕 Mom and Tots Program
- 🐕 Hospice Care Program
- 🐕 Foster to Adopt Program
- 🐕 Manageable Dog Program

FOSTERING

Our foster homes are the most important aspect of our rescue because they are the ones that spend countless hours rehabilitating and loving their foster dog, making him or her more adoptable.

Pit Bulls for Life utilizes regular foster homes in the Edmonton Area and throughout Alberta depending on the commitment level.

If you are interested in fostering, please visit our website (pitbullsforlife.com) for more information.
